Hello,

My name is Jill Wong and I sail quite a bit with Rick Newsome, who I believe has been in touch with you regarding our interest in finding a boat to race on for the Crew of 2 around Catalina. I crewed in the Islands Race in February and also the PV race in March. My contact info is:

Hello ,

I am looking for a crew opportunity for the Crew of 2 race in July Please let me know if there are any boat owners that are looking for crew. I have a sailing partner Jill Wong who will be also sending an e-mail. We have similar experience and would be happy to find either a boat owner who is 63 or older I am 57 for 3 on the boat or 2 on separate boats.

Thank you

Good Evening,

I am interested in joining the race as a crew member if someone is in need. I'm new to the area, but have a passion for sailing. If there's an opening I'd love to participate.

Thank you
