Commodore's Comments by Juli King

Hello SSYCers,

July was such a great month full of fireworks, seafood and racing. You've got to love hanging out at the club and enjoying the ocean breeze. Wednesday night racing is my favorite club activity. I really enjoy getting out on the water and enjoying an evening at the club after and it makes for a nice break in the middle of a busy week. My hats off to the race committee boat. You guys make it all happen. I joined the race committee a couple weeks back and got to witness your skills in action for the first time in years. It was impressive and lots of fun.

Our July 2nd Friday dinner "The seafood bake" was amazing and I want to once again thank Jen for all her hard work. The bibs were such a nice touch. Also, thanks to NBYC for such a great meal. The highlight of the evening was Mike Schmidt's informative and convincing presentation on the drone we are purchasing for the club.

The club is going to pay for one half the cost of the drone and we are hosting a fundraiser to pay for the other half. Now here's the fun part. The fundraiser is a Gilligan's Island, 3 hour tour held next Saturday August 12th. We will be setting sail from the NBYC courtesy dock at 1PM. Come dressed as your favorite Gilligan's Island character and bring \$30 (or more) for the drone; our goal is to raise \$1200. We will be back to the dock by 4PM (barring any unexpected storms).

Tony and Lee Ann McCarthy: They live in Irvine and have 2 grown children. They found us on our new website and liked our motto. "we are a drinking club, with a boating problem". They are interested in cruising, racing, club parties and fishing.

Congratulations and welcome to all our new Members!

Buckets, bibs, and bake was what our July monthly dinner was all about. For those of you who were traveling and on vacation, you missed out on a feast. The kitchen outdid themselves with pans full of crab legs roasted corn and boiling potatoes accompanied by mac & cheese hush puppies and salad. A few lobsters made it into the room and one even landing on Chris Haro's shoulder. We got to hear about the boating adventures from Fourth of July and welcomed our new members Brad and Linda Brigante who received their burgee. Mike Schmit showed a beautiful video of a drone capturing images of a whale swimming right next to a sailboat and spoke about the upcoming Gilligan's Island fundraiser. The night ended on a high note with the raffle and ice cream with Berry served as dessert.

What Next on the Calendar

Our next dinner is a Greek Inspired White Party, togas if you so choose, but not mandatory. I will be in white. Hope to see you all there August 11, 2017!

Cheers,

Jen Johns

Cruising by Brian King

Ahoy, Mateys!

I am excited to serve as your new Cruise Director. SSYC has had a long standing tradition of fun, friendly and adventurous cruising events and with your help I plan to keep it going. So here's to fend-ers bumpin', music blatin' and dreams lasting.

Our July "Duffy Daze" was a great success, with many new and long standing members in attendance. After launching from NBYC's curtesy dock, it seems like we canvassed every cubic meter of water-way in Newport Harbor. We enjoyed a delightful brunch at BCYC, then we crashed a deck party at ALYC, after being thoroughly lectured on the art and science of Duffy docking by the friendly Dock Master. Finally, we ventured over to The Elks to wind down in their relaxing club atmosphere, before we reluctantly motored back home on the last few watts.

Big shout out to Walter Carter, for completing his good deed for the day: After dropping off most of our crew and in-route to return the vessels, Walter noticed a disabled Duffy, we quickly realized they were severely prop-wrapped on a mooring line. No problem, IF, you have Walter onboard. He strips down to his trunks, dives headlong into the murky evening water and quickly assesses the situation. After resurfacing a half dozen times for a short breath, the Duffy was free, he was exhausted and

full of salt water, and July 2016 "Duffy Daze" was officially in the history books.

As for August; hold your breath.....We are hosting our first ever SSYC SUMMER SHRIMP-TASTIC AT TWO HARBORS, an event that you don't want to miss and is virtually guaranteed to be epic! The Cruise is August 19th-21st. Cinderella (Commodore King) and I will be hosting a Friday Evening Cocktail Hour on our vessel Cest La Vie (saylavee). Then we will host a shrimp boil on the beach Saturday evening. We will partake in exploration, dining, hiking, swimming and many other activities together, so please join us. If your boat is in the shop, or still in the shipyard, let me know if you still want to come and we will make arrangements. No SSYC'er left behind for this Cruise!

Thank you and see you all soon,

Brian King,

Cruise Director

SUMMER HIBACHI SERIES JULY RESULTS

We're two-thirds of the way through the Summer Racing Season at South Shore Yacht Club! July results are in and each boat gets the one "throw-out" for the race that was missed, a lousy start, rounding the wrong mark or a myriad of bad decisions that can occur on the water.

In the PHRF Class A, the SSYC Staff Commodore Scott Karlin and the crew of "Valhalla II" secured first place for July with a first-place finish over SSYC's Alan McNeeney and the combined SSYC/ Newport Sea Base Crew of "Sea Scout". They tied with 4 points each, but the last race was the tie-breaker.

In the PHRF Class B, one boat simply ran away from the pack! SSYC Skipper Mike Nelson and the crew of "Dilly Dally" went tape-to-tape in all four races. Once you threw out the one race (another 1st place), you end up with 3 points. And you can't get any lower than that point total. Simply unbeatable! The only thing that can slow this boat down is a double-barreled Stream Machine!

Sunday Sailing Series Starts August 13th

This 3-race series will be run on August 13th, September 17th and October 8th. This series is similar to the popular Sunkist Series, but we choose to run the races when the weather is still warm!

We start and finish each race in the main channel between the "N" racing spar and the Coral Street dock. The point of this course is to extend the racers out to the Balboa Pier and Newport Pier. This gives the boats a chance to fly their spinnakers (wind velocity and direction permitting).

This is also a popular Race Committee opportunity as the forward desk is typically covered with SSYC members working on their sunbathing! It's also a nice boat ride as we have to set and retrieve a couple of tetrahedrons out in the ocean. Something for everyone!

THE BORDER RUN 2018

Believe it! We're already taking entries for the 10th anniversary of South Shore Yacht Club's signature Offshore Racing Event in 2018 – The Border Run! In fact, we already have 49 boats signed up for the 72nm San Diego Course and 43 boats entered in the 14nm Dana Point Course! That's a total of 92 boats already entered for The Border Run 2018.

South Shore Yacht Club is the Organizing Authority for The Border Run and we're celebrating 10 years of The Border Run with lots of new ideas that are very appealing to racers. You can visit The Border Run web site at www.theborderrun.org to keep abreast of all the excitement building for the 10th anniversary of The Border Run. We'll see you all on the water!
